Why KeepSafe Food?

From award winning FoodService Director at OSU Medical Center where she safely served millions of meals (safely) to thousands of patients and staff to Food Safety Dietitian and founder of KeepSafe Food, Mary's goal it to provide consumers what they need to know about food safety when and where they need to know it.

Why the Apron?

Mary's Grandmother, Mother and now all the Sisters wear them...

The apron represents love of good food and a reminder not to take it for granted, passed down through generations of bakers, cooks and now, a dietitian.
